

ST Timothy Religious Education

Information for the online classes

Religious Education Classes at St Timothy.

Dear Parents and Students,

Welcome to the online classes for the Religious Education at St Timothy Catholic Church. The classes are designed to help your children to continuing learning about the faith.

The material for the classes is simple to learn. We will use an application called FORMED. Please read carefully the instructions below. You will also find the daily Mass readings and information to pray the Rosary.

We intend to be a companion to support students and families to see current events through the light of the faith. Parents and guardians are the first and best catechists of their families. Now, it is a great opportunity to show the love of Jesus and Mary to our children.

Let's pray to the Lord, that we may work together for the good of our kids and youth. If you require any further information, please feel free to contact me at dcabrera@sainttimothycatholic.org.

In Christ,
Dennys Victoria Cabrera
Coordinator of Religious Education
